For Saturday sport and major School events, off-street parking is also available in the underground car park underneath Number 3 Oval. The entrance to this car park is also off Victoria Street but near the intersection with Harland Street.

## Picking Up and Dropping Off Students

Normal drop off and pick up principles apply:

- Parents must use the designated zone (see map)
- Drivers remain in the vehicle
- Students must have their bags and other belongings with them in the passenger seat and are not permitted to go to the boot of the vehicle. The boot may be accessed by an assisting adult
- Students must enter and exit the vehicle on the curb side and are not permitted to walk between motor vehicles at any time.

## Parking Guidelines During School Days

All Trinity students using the car park will park in the GREEN ZONE. Students must first have written permission from the Master of the Senior School and display their parking pass at all times.

Parents and visitors who are not engaged in picking up or dropping off students may park in either the YELLOW or PURPLE ZONE.

The BLUE ZONE is reserved for School use.
